

# Nikolay Yakimov

## C# Web Developer

### Practical Programming Experience

A dedicated student at SoftUni, has mastered C# programming, OOP Principles, and essential web development technologies, like ASP.NET, EF Core. With hands-on experience in HTML, CSS, JavaScript, and Microsoft SQL, he excels in creating dynamic responsive web solutions.

**Key skills:** C#, OOP, ASP.NET, EF Core, Angular, MSSQL, HTML, CSS, JavaScript, jQuery, Bootstrap

### Creative Ventures

With over six years of experience in freelance photography and graphic design, Nikolay ensures exceptional quality and visual impact in every project. His attention to detail, passion for design, and keen eye for aesthetics consistently deliver engaging visual solutions.

**Key skills:** Photoshop, Illustrator, Lightroom, Luminar, Canva, Figma

### Other Experience

With over a decade of immersive experience as a Bartender, Mixologist, and Bar Manager, Nikolay's journey has taken him across diverse and vibrant cities in Europe, such as Nicosia, Barcelona, and London. Beyond mastering the art of crafting exceptional cocktails and managing bar operations, this journey has been an enriching exploration of soft skills, team dynamics, and cross-cultural communication.
